

Yes! I would like to participate in the “Miami Tourism For Haiti” initiatives to assist in the recovery of Haiti. We agree to participate in the following effort checked below:

- ☐ “Add-On, Add-Up” — We will provide you with donation cards and ask that you present to your guests as they purchase their admission ticket. The cards describe our efforts and asks for their optional donation in various nominal amounts to be added to their total admission price (i.e. \$1, \$5, \$10, other). The GMCVB would provide all necessary printed materials. The attraction/museum would reconcile their collections at the end of the month and mail a check payable to:
